Airspace Integration

An ATCA Event in Madrid

25-27 September 2023
at IFEMA in Madrid, Spain

We invite everyone from ANSPs to any stakeholders in the aviation industry to exhibit, sponsor, or attend this new and exciting event that will focus on:

-  **Maximizing** safety as we transition and integrate
-  **Supporting** all airspace users having equitable and productive access to, and support within the airspace
-  **Understanding** the tools, technologies, human capital, and regulatory needs to transition and advance
-  **Support** in understanding the collaboration between traditional aviation industry/regulators, military, and new entrants/non-industry sectors
-  **Promoting** societal benefits, acceptance, and adoption of new services and systems
