

## SET-UP AND TAKE-DOWN SAFETY PROCEDURES

### Use of Boots, Helmets, and Vests is Mandatory

Due to previous incidents, IFEMA MADRID is strictly enforcing the use of protective helmets, high-visibility vests, and security footwear in the Exhibition Hall during set-up or take-down.

### Important Safety Information Regarding Airspace Integration Congress

All exhibitors - **Anyone in the Exhibition Hall during setup or teardown MUST be wearing a safety helmet, vest, and steel toed shoes.** We have listed details on this specific update below, though we recommend all exhibitors read the [General Rules for Exhibitors](#) in full to be informed of **ALL** current IFEMA MADRID rules

If you have any questions on these updates, please do not hesitate to reach out. We want all exhibitors to experience a safe and successful event and that begins with the safety of you and your team.
